Book Dispatch No. _____

SURFCT: Report on Congressional Briefings

1. The Chief, KUBARK desires a full report from each station or base which, during the calendar year 1955, has briefed Senators or Congressmen on KUBARK activities.

2. Reports of such briefings will include the reactions of the Congressional Representatives briefed and, most particularly, the atmosphere which prevailed and the general attitude of the individual(s) in question.

3. It is requested that these reports be submitted as promptly as possible in the form of Rybat Dispatches, an original and two copies, addressed to the Chief of the Area Division having jurisdiction over the reporting station or base.

4. It is recognized that certain stations or bases may have already submitted to Headquarters reports of such briefings during 1955. If this is the case, a reply to this dispatch referencing these reports is requested.
